All In One Solar Street Light

- Pro-double MPPT solar controller
(More brightness and lighting longer time)
- 180lm/w (Optical lens with high brightness)
- Private mould (Unique in the market)
- For project or for wholesale

Solar Garden Light

- Patented PRO-DOUBLE MPPT solar controller, charging efficiency is 40%-50% higher than normal PWM solar controllers on the market
- Keep lighting for 12 hours
- Solar garden lights, different models for options
- With remote control, warm light/white light/warm+white light can be flexibly adjusted

Solar Light - CCTV

- PRO-DOUBEL MPPT Solar Controller
- Monocrystalline Solar Panel
- All in One Lamp Body(Internal Battery)/Sperated CCTV
- H.265X 1080P 2.0 Mega Pixels Pan/Tilt IP Camera
- 4G /WIFI / AP hotspot Connected Way
- Support Two-ways Audio intercom
- Support computer client remote / local viewing

07

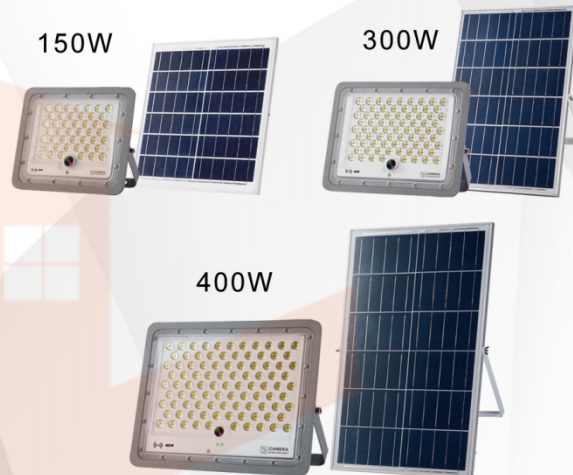

BS-BDX-CCTV Series 40W

BS-QBD-CCTV Series 55W/70W/90W/100W

BS-BXJG-CCTV Series

BS-KIN-CCTV Series

07

Solar Camera

- 1080P HD video, high-performance 1/2" black light full-color image processor
- Two-way voice intercom
- 355 ° horizontal rotation, 120 ° vertical rotation, 5X digital zoom
- Alarm siren function, support cloud storage and local sotrage

08

BS-Q5 Series

1. Main control: Ingenic T31ZL
2. Sensor: GC2063 2 million HD 1080P
3. Resolution: 1080P/15 frames
4. Housing material: ABS plastic
5. wifi/4G: 2.4G wifi/ 4G
6. Battery specifications: Pointed 18650
7. Solar panel: 6W
8. Waterproof rating: IP65
9. Cloud storage: Activate a free one-month trial
10. PIR: Motion detection and two-way voice intercom
11. Night vision distance: The effective lighting distance is about 25 meters
12. The rotation angle of the sphere: 355 degrees horizontally and 90 degrees vertically
13. SD card: Maximum support 128G C10 high-speed card
14. Double light source full color: 2 infrared lamps, 4 warm light lamps

BS-S3 Series

1. Main control: Ingenic T31ZL
2. Sensor: GC2063 2 million HD 1080P
3. Resolution: 1080P/15 frames
4. Housing material: ABS plastic
5. wifi/4G: 2.4G wifi/ 4G
6. Battery specifications: Pointed 18650
7. Solar panel: 1.3W+Panel 3.3W
8. SD card: Maximum support 128G C10 high-speed card
9. Cloud storage: Activate a free one-month trial
10. PIR: Motion detection and two-way voice intercom
11. Night vision distance: The effective lighting distance is about 20 meters
12. Waterproof rating: IP65
13. Double light source full color: 2 infrared lamps, 2 warm light lamps

BS-Y8 Series

1. Main control: Ingenic T31ZL
2. Sensor: GC2063 2 million HD 1080P
3. Resolution: 1080P/15 frames
4. Housing material: ABS plastic
5. wifi: 2.4G wifi
6. Battery specifications: Pointed 18650
7. Solar panel: 5W
8. SD card: support 128G C10 high-speed card
9. Cloud storage: Activate a free one-month trial
10. PIR: Motion detection and two-way voice intercom
11. Night vision distance: The effective lighting distance is about 15 meters
12. Waterproof rating: IP65
13. Double light source full color: 2 infrared lamps, 2 warm light lamps

08

Smart Lighting

- LoRa-MESH Solution
- RS485 Solution
- Solar System Solution
- ZigBee Solution
- LoRaWAN Solution
- LTE(4G) Solution
- NB-IoT Solution
- PLC Solution

09

Smart Pole

- BOSUN is the editor-in-chief of the smart pole & smart city industry standard in China. (available on the official website of the National Standardization Management Committee)
- BOSUN can provide you the most professional smart pole products and services.

Smart light poles: smart city is an intelligent system, which requires relative high requirements in all aspects: system stability, safety, equipment compatibility, and the connection with the government's comprehensive control system, etc., all aspects need to be considered.
